

**[NAPC: Networked ASEAN Peatland Forest Communities]
[PROJECT VIDEO]**

I. ASEAN IVO Forum Presentation

1. The size of the project video is 632MB, hence we provide the link to the project video instead: <https://drive.google.com/file/d/1butmF5tCprro7Z1ZfL6ziboGpX2BTtwS/view>

2. The video was shot on 25.08.2020 at Raja Musa Forest Reserve (RMFR), Kuala Selangor, Selangor, Malaysia; which is one of the sites for NAPC project.
3. It involves on-site shots of the deployed IoT system, interviews with NAPC researchers (UPM and MIMOS) and feedback from the stakeholder (Selangor Forestry Department – JPNS).
4. Interviews were conducted in Malay language, but subtitles are available.

Prepared by,
Prof. Ir. Dr. Aduwati Sali,
NAPC Project Leader,
UPM.
